

Other Courses Offered By Liberation Business School

Diploma in Entrepreneurial Excellence (DEE)

Participants & Faculty of DEE Course after a stimulating day of entrepreneurial learning.

Diploma in Entrepreneurial Excellence or DEE is a diploma program having 30 sessions spread across 10 days, conducted over a period of 6 months. The program is highly customized and designed to suit the needs of small & medium sized entrepreneurial organizations.

The faculty for the program are entrepreneurs & businessmen running successful organizations over many decades. Their wisdom, experience and proximity to entrepreneurial challenges helps the participants relate & find solutions to their own problems & situations easily. The program covers business management subjects which are in today's times extremely necessary & relevant for SME's. Liberation Business School has successfully conducted 2 batches of DEE in Mumbai & has now started new batches in cities like Ahmedabad in Gujarat & more.

If you are an entrepreneur, this course will definitely help you accelerate your business success.

Faculty, Participants & Chief Guest Shri. Sureshbhai Deshmukh (MLA- Wardha) on convocation day.

Basic of Business Management (BBM)

Faculty, Participants of BBM belonging to the Patidar Samaj from all over India at the 3 day residential workshop.

Basics of Business Management or BBM is a 3 day residential workshop, designed specifically to suit the requirements of Micro-Entrepreneurs & Small Businesses.

It is a highly intensive program that covers major aspects of management for entrepreneurs who manage micro organizations or very small businesses.

The faculty is carefully handpicked to ensure the program has relevance to small business organizations. The content is simple & the medium of used is either Hindi, Gujarati, Marathi or English.

The basic philosophy of the programme is to ensure that management is imparted even to those who have not completed their basic education but are keen on learning & upgrading themselves.

Participants of BBM attending a lecture on Brand Building strategies for Small businesses.
